**Does your program offer research fellowship opportunities?** Yes

Additional information: 1-2 year program

---

**Country:** USA  
**State:** Arizona  
**Institution:** St. Joseph’s Hospital & Medical Center  
**Program Director:** Rajat Walia  
**Address:** 500 W Thomas Rd, Suite 500, Phoenix, AZ 85013, USA  
**Phone:** 602-406-4507  
**Email:** rajat.walia@dignityhealth.org

Does your program accept international applicants? No  
Does your program offer research fellowship opportunities? Yes  

Additional information: 1-2 years training in medical lung transplantation available. Our transplant program is very hands on where the pulmonologists take donor call, go into the OR to receive the case at end of transplant and manage the patient in the ICU. The pre and post transplant patients needing ECMO are also managed by the transplant pulmonologists. This is in addition to the standard pre and post transplant management. Research opportunities are also available.
