• Expenses for travel related to attendance at the SPC meeting in July will be reimbursed by ISHLT
• Expenses for long distance calls required to conduct SPC business will be reimbursed by ISHLT

Abstract Selection Committee (ASC)

ASC Composition: The Abstract Selection Committee shall consist of the members of the Symposium Planning Committee Executive Program Committee members, plus such additional members appointed by the Scientific Program Chair, subject to approval of the Executive Program Committee, as are necessary to ensure that there are at least two members assigned to each of the primary abstract categories. Such terms are for one year.

ASC Eligibility Criteria / Qualifications / Skill Set

• ASC members must be members of ISHLT at the time of appointment and through the date of the meeting
• ASC members must have served as an abstract reviewer in the past.
• Council Officers and members of Council Education Workforces may not serve on the ASC.
• Other than the Past Program Chair, the Program Chair, the Immediate Past Program Chair, and the Editor of the Journal, no member of the ASC may serve more than two years consecutively. A break of one year minimum is required between any set of two-year terms.
• Willingness and ability to meet inflexible deadlines
• Willingness and ability to respond promptly and by the deadline to all assigned tasks
• Willingness and ability to block off time required time for ASC-related work, calls, and travel
• Excellent collaboration and communication skills

ASC Responsibilities

• Understand and comply with all conflict of interest (COI) processes and policies and adhere to all COI resolution requirements
• Understand and comply with all ISHLT policies, procedures, and applications relevant to the development of the annual meeting scientific program
• Come prepared and participate actively in all conference calls and meetings
• Provide specific content expertise, but seek to create the best overall program rather than being an advocate for their content area
• Recommend members to serve as abstract reviewers
• Review submitted abstracts and select those which describe the optimal scientific content for presentation at Annual Meeting
• Ensure that the presentations to be developed from the chosen abstracts will address the identified practice gaps and educational needs of the members and the established learning objectives
• Develop and schedule scientific session content based on the selected abstracts
• Select finalists and/or recipients for the various ISHLT abstract awards
• ASC Liaisons:
  o Lead the group’s efforts to select abstracts which describe the optimal scientific content for presentation at Annual Meeting and use them to develop them into oral, mini oral, and poster sessions
  o Communicate effectively with the Executive Program Committee, staff, subcommittee members, and other Liaisons
  o Work with other Liaisons to as needed develop multidisciplinary session content
  o Ensure that all deadlines are met and that all required information is provided to the Program Chair and staff

Time Commitment

• Approximately 5 hours in September/October to assist in the nomination and selection of abstract reviewers
• A period of 2 weeks in December during which a total of 10-20 hours will be required to conduct the above-described work of the ASC, including being available on one full Saturday in early December for a conference call with the Executive Program Committee to finalize abstract selection
• Attendance at the Annual Meeting (required for participation on the committee)

Key Interactions

• Program Chair
• Assigned staff members
• Program Committee and sub-members
• Abstract reviewers

Compensation Provided

• ASC members receive complimentary registration to the Annual Meeting for the year they serve on the ASC
• Expenses for long distance calls required to conduct ASC business will be reimbursed by ISHLT

Abstract Reviewers

Eligibility Criteria / Qualifications / Skill Set

• Abstract reviewers must be members of ISHLT and of the relevant Scientific Council at the time of appointment and through the date of the meeting
• Secure and uninterrupted email and internet access with response times not exceeding 48 hours, particularly during the grading period
• The ability and willingness to block sufficient time during the first 2 weeks of November to review and score up to 100 abstracts via ISHLT’s online scoring system
• There is an expectation that the Council officer will serve as abstract reviewers

Responsibilities
• Understand and comply with all conflict of interest (COI) processes and policies and adhere to all COI resolution requirements
• Understand and comply with all ISHLT policies, procedures, and applications relevant to the development of the annual meeting scientific program
• Provide specific content expertise in the assigned topic area
• Review and score all assigned abstracts by the stated deadline

**Time Commitment:** Sufficient time required to review and score up to 100 abstracts during a 2-week period

**Compensation Provided:** This volunteer role does not include any material compensation. However, the volunteering of one’s time in this capacity is greatly appreciated by the members and leadership of ISHLT. Additionally, participation as an abstract reviewer qualifies one for consideration as a member of the Symposium Planning Committee or Abstract Selection Committee or in other ISHLT volunteer leadership positions.

**What Success Looks Like**
• A well-functioning Program Committee, with the needs and interests of all of the various ISHLT constituencies taken into account in the planning process and balanced appropriately in the final scientific program
• Scientific content that meets the educational needs and learning objectives of the Society members and attendees
• Scientific content that generates positive feedback from the Society members and attendees
