

Learner Notification

International Society for Heart & Lung Transplantation

Heart and Lung Core Academies

April 26, 2022

Boston, MA

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety as partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Physicians (ACCME)

The International Society for Heart and Lung Transplantation (ISHLT) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement - ISHLT designates this live virtual activity for a maximum of 7.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Acknowledgement of Financial and/or In-Kind Commercial Support

No financial or in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and International Society for Heart & Lung Transplantation. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Nurses (ANCC) Credit Designation

Amedco LLC designates this activity for a maximum of 7.00 ANCC contact hours.

Pharmacists (ACPE) Credit Designation

Amedco LLC designates this activity for a maximum of 7.00 knowledge-based CPE contact hours.

NOTE to Pharmacists: The only official Statement of Credit is the one you pull from CPE Monitor. You must request your certificate within 30 days of your participation in the activity to meet the deadline for submission to CPE Monitor.

Heart Objectives: At the conclusion of this meeting, participants will have improved competence and professional performance in their ability to:

1. Discuss the general concepts, definitions and management principles of patients with heart failure.
2. Apply the general concepts, indications, contraindications and management principles of patients who are evaluated for and receive cardiac transplant.
3. Recall the general concepts, indications, contraindications and management principles of patients who are evaluated for and receive mechanical circulatory support devices.

Lung Objectives: At the conclusion of this meeting, participants will have improved competence and professional performance in their ability to:

1. Explain in detail how to evaluate and list potential candidates for lung transplantation.
2. Discuss perioperative management of the donor, lung procurement, and operative strategies including use of extracorporeal life support and ex vivo lung perfusion.
3. Identify the most common post-transplant complications including immediate post-operative complications, acute and chronic allograft dysfunction, infections, and other systemic complications.
4. Describe the immunosuppressive and preventative medication regimens that utilized in lung transplant recipients, the rationale for their use, and their potential complications.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1--6.2, 6.5)

All individuals in a position to control the content of CE are listed in the agenda. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.
