

Learner Notification

International Society for Heart & Lung Transplantation
ISHLT Mechanical Circulatory Support Academy/North America
November 4, 2022
Chicago, IL

Acknowledgement of Financial Commercial Support

Financial commercial support was received for this educational activity from Abiomed and Abbott Laboratories.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Physicians – Directly Provided

International Society for Heart & Lung Transplantation (ISHLT) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

ISHLT designates this live activity for a maximum of 7.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation Statement

JOINTLY ACCREDITED PROVIDER[™]
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and International Society for Heart & Lung Transplantation. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Nurses (ANCC) Credit Designation

Amedco LLC designates this activity for a maximum of 7.00 ANCC contact hours.

Pharmacists and Pharmacy Technicians (ACPE) Credit Designation

Amedco LLC designates this activity for a maximum of 7.00 knowledge-based CPE contact hours.

NOTE to Pharmacists: The only official Statement of Credit is the one you pull from CPE Monitor. You must request your certificate within 30 days of your participation in the activity to meet the deadline for submission to CPE Monitor.

Objectives - After Attending This Program You Should Be Able To

1. Recognize indications and contraindications for temporary and durable mechanical circulatory support (MCS) implantation.
2. Assess the impact of medical and social factors that influence patient outcomes during short- and long-term MCS.
3. Recognize options for MCS support and the physiological and technological differences that may influence patient/device selection and management.
4. Identify problems and early complications that impact immediate post implant management in the intensive care unit.
5. Manage complications of MCS patients during long-term support.
6. Diagnose and manage common clinical scenarios, adverse events, and life-threatening emergencies encountered after MCS implantation
